

# CORONAVIRUS UPDATE FOR WCET

## 11<sup>th</sup> June 2020

We understand a return to normal in the Autumn term may be highly unlikely so below are some suggestions of how our WCET staff can continue to support your pupils in the mid-term future.

### **SCENARIO 1** Complete return to normal.

The WCET programme will run as in the [guide](#) on our website.

### **SCENARIO 2** Partial return and external visitors allowed in.

A WCET tutor can attend the school and could teach a single class in several groups for part of the hour (e.g. a class of 30 could be divided into 3 groups of 10 for 20 mins each).

Instruments will NOT be shared so multiple classes may be possible if each pupil has their own instrument (subject to storage space and instrument availability).

### **SCENARIO 3** Partial return and external visitors not allowed in.

A WCET tutor can offer a range of online support that could include:

- whole class curriculum music (possibly using school instruments like class percussion and singing)
- whole class music using Charanga (if the school has a licence)
- regular weekly online training for staff
- support with [Arts Award](#) Discover and Explore
